

## 2018 MRA Timber Mtn. XC Race Notes

- 123F had a very short lap on lap two, so lap was removed.
- 842Z had a very short lap on lap two, so lap was removed.
- 880Y raced the long-course race instead of the short course, so was removed from results.
- 490U wheelied through the pits going above 5MPH limit, so was penalized 5 minutes
- 227AA was not scanning correctly, but is now updated properly.
- 383R had a very short lap on lap one, so lap was removed.
- Manually added the last lap on the Short-Course Race, specifically the Women's Class.
- Numerous false pings had to be removed due to riders going too close to the transponder receiver tower with their helmets.
